Had Nervous Indigestion

Could not sleep - Lost Weight

Only Wincarnis helped her

Miss Helen Miller of 10 Thompson Street, Philadelphia, Pa. says: "Let anyone who may question the truth of your claims for Wincarn's come to me and I will soon dispel all their doubts.

A year ago I had a very bad spell of nervous indigestion and although my doctor did all he could for me, nothing he gave me relieved me of the dreadful attack.

I lost my appetite, I could not sleep, my nerves got worse and I rapidly lost weight.

I had read about your wonderful tonic Wincarnis—for wonderful it certainly is—and I decided to give it a trial.

Almost immediately my appetite came back and soon I was able to get a refreshing night's sleep. My nerves grew

steady, my indigestion disappeared and I began to put on flesh. In fact, I gained 8 pounds while taking Wincarnis."

Wincarnia is sold in Norwich by National Drug Stores, Main and Shetucket Streets, and all first-class druggists.
